Robert Kirkman : The Walking Dead, Book 7 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walking Dead, Book 7:

It has great art, sex, violence, sleepless nights, one oldman goes crazy because he has no woman, new graves are dug and filled, zombies on the rampage, buckets of oozing blood,decapitations, mutilations and lots of sexy hookups. What does the repulsive, grouchy and bitter old mando with his gun? I don't want to ruin it

for you, but one old man angry at life can do a lot of damage! Rick finds himself up to his eyeballs in zombie blood, a few guys have to face some hard rejection and a couple of people fight for life from their makeshift hospital beds. Stay tuned fans! 0 of 0 people found the following review helpful. Great quality, happy I purchased these By Nicholas G Frerman Great quality, happy I purchased these. I started reading the Walking Dead very late. I had watched a few seasons of the show on AMC and decided to pick the books up. These are great 12 book compendiums. I pulled through each book quickly to catch up on the series and have now moved to reading these on my iPad when each issue is released. The stories are quite well written and the art is fantastic. Don't expect the same story line of the show and be willing to put aside reality a bit more as well. 0 of 0 people found the following review helpful. The Walking Dead By Simon The Walking Dead - !! :)). !!-----Series The Walking Dead - it's just something! In contrast to the comic series is much more interesting and more hooked! After reading the first volume you want to just read all the other volumes without interrupting :)). Personally, I liked the comic book and I look I will wait for the next release! I advise everyone to reading! Best Regard!

Rick and his group learn the dangers of living behind the safety of the Community walls, and much worse: what happens when those walls give way to those outside. Collects The Walking Dead #73-84.
