**Robert Kirkman : The Walking Dead Omnibus Volume 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walking Dead Omnibus Volume 2:

0 of 0 people found the following review helpful. Five StarsBy KbGreat gift for fans0 of 0 people found the following review helpful. THIS is the way to read the Walking Dead comicsBy Joe DanvilleI bought all four of these omnibus books. They are very well made and certainly meant to be collectibles. I hadn't read any of the comics, and so I read all four books back to back. The illustrations, paper quality, and volume construction are top notch and the price is

unbeatable. If you're a fan of the AMC series, you'll get what really amounts to a different story as the TV show has veered away from the chronology of the comics. That just makes it better in my opinion. Hats off to Kirkman, Moore and Adler for their terrific work. Parents be cautioned, these are NOT comic books for children. 0 of 0 people found the following review helpful. If you like the series By Logan If you like the series, you will love the books. As most know, the show is based on these graphic novels. Most of the story lines follow pretty close to it as well. I will say there is just enough difference that I want to both watch and read the comic side by side. The comic is much darker than the TV show and there is cursing. Most I have talked to enjoy the comic just as much as the TV Show. Def worth a read!

This deluxe hardcover features the next 24 issues of the hit series (along with covers) all in one massive, oversized slip-cased volume. Perfect for longtime fans, new readers, and anyone needing a heavy object with which to fend off The Walking Dead. Strictly limited to a print run of 3,000. Collects The Walking Dead #24-48.
