**Robert Kirkman : The Walking Dead Omnibus Volume 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walking Dead Omnibus Volume 3:

1 of 1 people found the following review helpful. If you like the seriesBy LoganIf you like the series, you will love the books. As most know, the show is based on these graphic novels. Most of the story lines follow pretty close to it as well. I will say there is just enough difference that I want to both watch and read the comic side by side. The comic is much darker than the TV show and there is cursing. Most I have talked to enjoy the comic just as much as the TV

Show. Def worth a read!0 of 0 people found the following review helpful. Book is betterBy kennethBetter than the show3 of 3 people found the following review helpful. Fantastic comic collection!By Tomasz PylakAfter watching the tv series, I didn't know if I would enjoy the comic book series. How wrong I was.The story is similar in some aspects and totally different in others. Highly recommend this to anyone interested in the walking dead. I'm taking my time with these because I want to savor every detailed drawing and experience it in all it's glory.A++ it's a must buy folks.

This deluxe hardcover features 24 issues of the hit series, The Walking Dead, along with the covers for the issues all in one massive, oversized slip-cased volume. Perfect for long-time fans, new readers, and anyone needing a heavy object with which to fend off the walking dead!
