So far, I'm enjoying it until I just about reached the halfway point. There about 20 pages that looks like they ran out of ink when they were printing. THIS SUCKS!! I missing major parts and I think someone died during the faded pages....Do they not have people for quality control? Sigh...0 of 0 people found the following review helpful. Thanks to the whole ordeal was simple and effortless. Thanks to 0 of 0 people found the following review helpful. By Bradley Helton After being forced to leave the farm, Rick's group stumbles upon what seems to be a permanent sanctuary, an abandoned prison. Soon after clearing one cell block and settling in, the survivors learn that they are not the only residents of this prison and realize for the first time that the greatest threat to their survival in this new world may not be the dead, but the living.

This oversized adult coloring book features the most iconic images of Rick Grimes from the long-running comic book series. From police officer to leader of the Alexandria Safe Zone, Rick has faced down hordes of walkers and the worst humanity has to offer. Now it's your turn, just make sure to stock up on plenty of red...
