Very well put together with great details of the characters. Once you read passed #84, this is a good refresher and character reference guide. 0 of 0 people found the following review helpful. The Reading Dead By Jeff This episode guide was great for fans who wanted a

recap before moving on. I thought it would be rather dry but it was most awesome. I gave it to my son to treasure. He's read it twice. 0 of 0 people found the following review helpful. survivors is sweetBy haleythhis book contains awesome zombies and all the characters for the walking dead graphic novel series and some people that the cast were with or discovered its pretty awesome it also show how they died if they did or if there living it also shows what they did befor zombie appocolyps andhow they were introduced when they first came into the books like hershel was introduced at greene farm or regina at alexander
