Robert Kirkman : The Walking Dead, Vol. 10: What We Become before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Walking Dead, Vol. 10: What We Become:

2 of 2 people found the following review helpful. I watched the TV show first (caught up as of 3/6/2016) before reading and holy crap these are awesome. By Jon C. I've purchased all volumes up to 22 and the TV show has just about caught up to where I am in the novels. These books are friggen awesome. I don't read much and my buddy lent me VOL 1 after he knew I liked the show. Well, I burned through the first one and then just went on a tear buying 4 volumes at

a time...the price is pretty good for what you get out of these. \$9-\$15 is the range I've paid per novel, I'm not sure why they aren't the same but anyways, I keep buying them none the less. The story was written before the TV Show and the show follows the story but there is some differences. The written story is more violent and graphic then the tv show but the tv show does a decent job of sticking with main ideas. I've noticed that certain plot things that happen in the book also happen in the show but there is a unique twist like a different character it happens to or something like that. Which makes reading these volumes great cuz I have some idea of where the story is going (after having watched all tv episodes) but there are still surprises. If you like the TV show and haven't read these, give it a try and you will get a whole new experience of the Walking Dead story. I'm putting this same review under every volume I've purchased (1-22) so people can see it. go buy these!

0 of 0 people found the following review helpful. This volume takes place as the group is on the ...By Bradley Helton This volume takes place as the group is on the road making its way to Washington, D.C. with a scientist, Eugene Porter, who can apparently end the outbreak. Rick is immediately at odds with Abraham over their methods on how to lead. With Carl in tow, the three travel to Rick's hometown for any supplies left at Rick's police station and come across an old friend in the process. Along the way, Rick finally sees just how far he is willing to go to protect the family he has left.

3 of 3 people found the following review helpful. What we do for those we love By Patrick S. Dorazio Each volume of The Walking Dead tends to run in one of two separate veins. The ultra violent and the thoughtful. Volume 8 served as both a ending and a beginning of sorts, providing us with a violent shakeup that changed things forever for Rick and the rest of the survivors. Volumes 9 and this Volume, while providing us with some moderate zombie violence, mostly gives us the chance to dig deeper into the characters and what makes them tick. Rick and a character introduced in the previous volume, Abraham, both are coping with all the brutal and ugly things they have been forced to do just to survive. Things that in the eyes of family and friends may be unforgivable or at least something they cannot accept. We get to witness Rick in action when three men decide to assault him and his boy and what vicious things he is willing to do to protect what is left of his family. Though there is tension between him and Abraham, they share their stories and come to understand one another much better-they will do whatever it takes to survive. The world is an ugly place and all the innocence and beauty in people has pretty much died, leaving the ugly behind...an ugly that is brutally necessary. Into this mix steps Morgan, Rick's old friend that was hiding out in their hometown. Its interesting to see how Morgan, who cannot bring himself to kill someone who has turned into a zombie that he cares about, is feared because perhaps he has gone insane with grief while Rick himself is starting to be feared because he has refused to be consumed by his grief but instead has lashed out at anything in the world that would threaten him.
