I heard the comics were a bit different, so I decided I should read them. So far, I'm enjoying it until I just about reached the halfway point. There about 20 pages that looks like they ran out of ink when they were printing. THIS SUCKS!! I missing major parts and I think someone died during the faded pages....Do they not have people for quality control? Sigh...0 of 0 people found the following review helpful. I couldn't not reserve time to watch this very realistic post-apocalyptic show on AMC that I fell completely in love with eitherBy CustomerIn my eyes, The Walking Dead comics are the epitome of the real deal, a classic kind-of old school comic. A comic than can still keep you guessing and the text matches up perfectly with the drawings. Its totally raw and unfiltered but is ever so intriguing.The whole story-line, itself, is what truly distinguishes it away from any other series and/or comics. I was instantly engaged; I couldn't not reserve time to watch this very realistic post-apocalyptic show on AMC that I fell completely in love with either. I began to read the comics and wow, was I truly hooked. Robert Kirkman's comics have no rules, no limitations. Its all just so raw.I love The Walking Dead: Thank you AMC!!: The only complaint i had with the compendium was that a few pages had fallen out of the book (of course, it is a huge book) but it was a gift for my boyfriend. Needless to say, I called and they were more than reluctant to help me :) to either refund me the price or send me a new Walking Dead Compendium, I ended up doing an exchange and I have no further complaints regarding this replacement copy! Thanks to the whole ordeal was simple and effortless.Thanks0 of 0 people found the following review helpful. the survivors learn that they are not the only residents of this prison and realize for the first time that the greatest threatBy Bradley HeltonAfter being forced to leave the farm, Rick's group stumbles upon what seems to be a permanent sanctuary, an abandoned prison. Soon after clearing one cell block and settling in, the survivors learn that they are not the only residents of this prison and realize for the first time that the greatest threat to their survival in this new world may not be the dead, but the living.

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more deadly than zombies out there: each other. Reprint Edition
