Robert Kirkman : The Walking Dead, Vol. 7: The Calm Before before purchasing it in order to gage whether or not it would be worth my time, and all praised The Walking Dead, Vol. 7: The Calm Before:

1 of 1 people found the following review helpful. I watched the TV show first (caught up as of 3/6/2016) before reading and holy crap these are awesomeBy Jon C.I've purchased all volumes up to 22 and the TV show has just about caught up to wear I am in the novels. These books are friggen awesome. I don't read much and my buddy lent me VOL

I after he knew I liked the show. Well, I burned through the first one and then just went on a tear buying 4 volumes at a time...the price is pretty good for what you get out of these. \$9-\$15 is the range I've paid per novel, I'm not sure why they aren't the same but anyways, I keep buying them none the less. The story was written before the TV Show and the show follows the story but there is some differences. The written story is more violent and graphic then the tv show but the tv show does a decent job of sticking with main ideas. I've noticed that certain plot things that happen in the book also happen in the show but there is a unique twist like a different character it happens to or something like that. Which makes reading these volumes great cuz I have some idea of where the story is going (after having watched all tv episodes) but there are still surprises. If you like the TV show and haven't read these, give it a try and you will get a whole new experience of the Walking Dead story. I'm putting this same review under every volume I've purchased (1-22) so people can see it. go buy these!1 of 1 people found the following review helpful. The group attempts to settle down again after their nightmarish ...By Bradley HeltonThe group attempts to settle down again after their nightmarish experiences at Woodbury. Relationships among the survivors at the prison continue to grow as Lori enters the last stages of her pregnancy. All the while, the group tries to prepare themselves for the sure revenge of The Governor and his town of psychotic survivors.0 of 0 people found the following review helpful. Five StarsBy JudenBearThe second to last volume you see a lot of characters alive. RIP.

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living. In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living. Lori's pregnancy has come to term, and the birth is near. After everything they've been through, nothing can prepare Rick and the other survivors for what they are about to experience. A major turning point in the series is reached. Reprint Edition
