Tomoko Hayakawa : The Wallflower 18 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wallflower 18:

2 of 2 people found the following review helpful. but I was very happy with the end of this volumeBy Bean-chanFinally some advancement in Kyouhei, and Sanako's relationship(!) I felt that the story was starting to get stagnant, but it's starting to move, again. No spoilers, but I was very happy with the end of this volume. Now please don't take half of forever getting future volumes out! I love this series. I have actually laughed out loud, and talked to the characters on many occasions. Thank you, Hayakawa-san.0 of 0 people found the following review helpful. they

aren't available in English on manga sites like MangaFox and MangaHere. By SophiaAs of 12/2015, the chapters of this manga HAVE NOT been scanned! Meaning, they aren't available in English on manga sites like MangaFox and MangaHere. Please, if you like this manga, support the author and pick up a copy! 0 of 0 people found the following review helpful. Five Stars. By Kari Craig. Great series

RED LIGHT RENDEZVOUS The Nakahara mansion is under construction, and the entire gang is being put up at a fancy five-star hotel. Except, of course, for Sunako and Kyohei, who just can't handle living in the lap of luxury. They opt instead for a tiny apartment, but they can barely afford the rent. Sunako has no choice but to get a job, and the only jobs that pay well happen to be in the nearby red-light district. Sunako sneaks off and finds herself a gig at one of the local clubs, where she rakes in the dough. But when news of her new job reaches the bishonen, they freak! After all, if the landlady finds out that Sunako is working in a hostess club, the guys might never get to move back into the Nakahara mansion! This volume of *The Wallflower* includes special extras after the story!
