Stan Sakai : The Wanderer's Road (Usagi Yojimbo) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wanderer's Road (Usagi Yojimbo):

0 of 0 people found the following review helpful. It nearly made me cry. It's that good.By Shun NakamuraIt starts out pretty much the same as any other book in the series Usagi going on little adventures and righting small wrongs but this book also makes old rivalries established in the first volume continue. Usagi encounters Ino once again, who hasn't forgotten his vow to kill him and an even cooler new foe who takes the cliché, dead horse, completely predictable theme of deluded people thinking they can become(or are) God(s) and makes it entertaining again. Quite

an accomplishment. It kept me on the edge of my seat with excitement. Before that there is a story I found to be both creepy and a tearjerker, (primarily the latter) called "A Mother's Love." With an ending so tragic I had to set the book aside awhile just until I could get the nerve to finish it. I recommend this book although (as I failed to mention in my previous reviews) I don't believe this series to be appropriate for very small children although it is a comic book in black and white it's pretty clear what little pools of black ink flowing from an animal is supposed to represent. The series also embraces Japanese lore as well so be advised if you're sensitive about certain beliefs although they don't play an exactly large role in the story at all. 0 of 0 people found the following review helpful. Three Stars By Selena Scott I wanted to see what goes on next. 0 of 0 people found the following review helpful. Five Stars By Robert L. Silva Loved it

Perhaps the best samurai rabbit story ever told. With "The Tower" (introducing Spot the Wonder Lizard), "Return of the Blind Swordpig," the hilarious Groo tribute "The Tea Cup," and a crossover with the Ninja Turtles! Usagi Yojimbo Book 3 collects full-length Usagi stories from issues #7 through #12 of the original Fantagraphics series, including "The Tower" (which introduces Usagi's traveling companion Spot the Wonder Lizard), "Return of the Blind Swordpig," "A Mother's Love," "Blade of the Gods," "The Shogun's Gift," and the hilarious Groo tribute "The Tea Cup," co-starring the amoral mercenary rhino Gen. ("Gen does what Gen does best!") Plus, the little-seen Usagi team-up with the Teenage Mutant Ninja Turtles, "Turtle Soup and Rabbit Stew," written and drawn by Sakai. A must-have for adventure lovers of all ages! Black-and-white comic throughout

These bittersweet adventure stories offer entertaining reading, especially for young Asian-Americans who feel excluded from mainstream juvenile literature. - Los Angeles Times I don't think I'm exaggerating at all when I say that Stan Sakai is arguably the greatest living comic book creator in the world, and Usagi Yojimbo is a thirty-year masterpiece that has a consistency and craftsmanship that other comics only touch when they're at their peak. - Chris Sims, Comics Alliance One of the most original, innovative, well-executed comic books anywhere to be found. - Stan Lee I've just finished the fourth Usagi Yojimbo trade and the fifth is sitting next to me... If you're like me, throw away your preconceptions about anthropomorphic comics and get on board. As a fan of samurai fiction (to the point of having a Seven Samurai tattoo) and comics, I can't recommend Stan Sakai's beautifully drawn, note-perfect reinvention of the genre highly enough. - Kevin Church, BeaucoupKevin.com About the Author Stan Sakai is a third-generation Japanese American and multiple Eisner-Award-winning cartoonist, creator of the popular and long-running Usagi Yojimbo comic book. (Usagi Yojimbo is a recurring "guest star" in the Teenage Mutant Ninja Turtle universe.) Born in Japan, he grew up in Hawaii and lives in Pasadena, CA.
