Rei Toma : The Water Dragon's Bride, Vol. 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Water Dragon's Bride, Vol. 1:

1 of 1 people found the following review helpful. Loved it, can't wait for more! By Sarah It's only the first volume so I can't really give anything I dislike- except maybe that I wish it was longer :) The artwork is beautiful, the flow of the story so far is great, I love Subaru's determination and kind spirit. I am very eager to see how Asahi and the water dragon god change throughout the entire story. If you'd like to compare this to something I would liken it a bit to Kamisama Hajimemashita (Hajimemashite? I can't remember, but it's otherwise known as Kamisama Kiss). Just in the

way that the fox demon starts out as cold and slowly he begins to change and all. I loved that and I get the feeling I'll love this.0 of 0 people found the following review helpful. can't waitBy Kindle CustomerThis is such a sweet story about a girl who ends up in a cruel world of humans and Gods. It's so good that I can't wait to see what will happen next.0 of 0 people found the following review helpful. Great storyBy C.A.Really great story so far. Wasn't a fan of the author/artist previous title but I'm in love with this one. The art is also gorgeous.

A modern-day girl gets whisked away to a strange land where she is sacrificed to a water dragon god! In the blink of an eye, a modern-day girl named Asahi is whisked away from her warm and happy home and stranded in a strange and mysterious world where she is sacrificed to a water dragon god! What plans are in store for her, and what will happen when she comes face to face with this god? A young boy named Subaru comes to Asahi's aid, but despite his help, Asahi must endure a test of survival! Will she be able to make it out alive, or will she end up being sacrificed?

About the AuthorRei Toma has been drawing since childhood, but she only began drawing manga because of her graduation project in design school. When she drew a short-story manga, *Help Me, Dentist*, for the first time, it attracted a publisher's attention and she made her debut right away. Her magnificent art style became popular, and after she debuted as a manga artist, she became known as an illustrator for novels and video game character designs. She is also the creator of *Dawn of the Arcana*, available in North America from Viz Media.
