The writer dives right into the action pretty quickly with this volume, and it stays pretty interesting all of the way until the end. The pencils and coloring are good, making each page a joy to read.2 of 3 people found the following review helpful. Really enjoyed this comicBy CzarniReally enjoyed this comic. I love getting a little more

Witcher experience more than just what happens in the game. 2 of 3 people found the following review helpful. Worth it. By Gerouï The book is a very good comic. If you enjoyed the "House of Glass" previous Witcher Comic, you will like this one. I would recommend.

Geralt's journey leads him aboard a ship of fools, renegades, and criminals--but some passengers are more dangerous than others, and one hides a heinous secret that could lead crew and passengers to a bitter and hideous fate at the hand of a vengeful fox mother!
