**Paul Tobin : The Witcher Volume 3: Curse of Crows** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Witcher Volume 3: Curse of Crows:

1 of 1 people found the following review helpful. Continue Following The Path By Christian Romero The Witcher: Curse of Crows is a 5 issues comic book series set in the CD Projekt video game continuity. It's written by Paul Tobin, It is the third volume in the franchise and my personal favorite as this volume out of all three volumes is connected to the game The Witcher 3: Wild Hunt. I must warn people who have not finished the game it is post Wild Hunt with a

canon ending and choices. So if you haven't finished it you will be spoiled and if you have like I did, you will see the canon ending and choices to *The Witcher 3*. The reason why it's my favorite it really explores Geralt's family dynamic while the other volumes just have Geralt with someone else in *Curse of Crows* it follows his daughter Ciri and his wife Yennefer. As someone who has played the games reading the dialogue you can practically hear Geralt's grizzled voice and his famous sarcasm. Another thing that was an improvement was the art. The other art from the two volumes was not that good it was very inconsistent. This isn't the best art but it's an improvement over past volumes. The story is well done although I wish the ending with the boy who turns into a crow would have had more closure, it's really left up in the air. But as a *Witcher* fan it did justice to the world of the *Witcher*. Would highly recommend to *Witcher* fans and fans of fantasy in general even though it's connected to the continuity of the games. If you haven't touched the games you can still follow the story without being confused. A good read. 0 of 0 people found the following review helpful. Must Read By sdnx21 Fan of *The Witcher 3*? Then you must read this. 0 of 0 people found the following review helpful. *Witcher* is awesome ! By Sina K. Awesome ! I'm currently reading all the *Witcher* books too.

Explore the dark and gritty world of the hit video game series, as Geralt and Ciri become embroiled in a brutal story of revenge. In this ruthless world, the past always comes back to haunt you, and nothing is as it seems. Collects issues #1-#5 of the Dark Horse Digital series *The Witcher: Curse of Crows*.
