**Matthew K. Manning : The World According to The Joker (Insight Legends)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The World According to The Joker (Insight Legends):

Avoid if you're over the age of 15By MoserGrayFor those buying this book looking to get some thought provoking insight into the mind of The Joker, you best look elsewhere as you're going to come away disappointed. This book, while decent, was written with a distinct juvenile tone. While some of the entries looked like they were going to be interesting, the content quickly became tired clichs of what one would expect from, say, a really uninteresting Joker cosplayer. For example - a recipe for Joker Laughing Gas is actually a recipe for chocolate chip cookies, and The Joker explains this as "I'm always getting the two mixed up! Ha ha ha!" - a dry chuckle perhaps, but also something one would find in a scholastic weekly reader.The artwork is passable, nothing great and certainly nothing that rivals anything found in the comics, but it does show a nice level of detail.The most ludicrous is the free bonuses, which more or less amounts to a bunch of post-its stuck to the pages of the book.All in all, it's a good gift for a younger Batman fan - they'll probably love it - but for fans of 'Death of the Family', 'The Killing Joke', or 'Arkham Asylum: A Serious House on Serious Earth', you'll come away feeling like the joke is on you.0 of 0 people found the following review helpful. Four StarsBy DanielThe book was practically amazing that's all I have to say.0 of 0 people found the following review helpful. Four StarsBy A. B. CrainLooking at the world through Joker's eyes. Interesting.

Enter The Jokers twisted world as the Clown Prince of Crime divulges his deranged perspective in this psychotic expos! Revealing his demented thoughts on a range of topics, including choosing the ideal henchmen, the best way to kidnap a Super Hero, and the art of the killer punch line, The World According to The Joker is a terrifying journey into the mind of the ultimate super-villain. Featuring a wealth of bonus features, including a flyer for The Jokers first stand-up gig, a Joker gas recipe, and the outrageously interactive Wheel of Dead Robins, The World According to The Joker gives unparalleled insight into the unhinged world of the Harlequin of Hate. ...a hilarious romp through the demented worldview of one of Batmans (and comic books overalls) greatest villains, and takes readers on an unparalleled and distorted trip through the characters nearly 75-year long history. Its a must-have for Batman fans, comic book lovers, and collectors alike. From the Batcave
