Shungiku Nakamura : The World's Greatest First Love, Vol. 2: The Case of Ritsu Onodera before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World's Greatest First Love, Vol. 2: The Case of Ritsu Onodera:

0 of 0 people found the following review helpful. Love hurts By Gilcai L. is the overall focus of this volume. The volume further explores Onodera's and Takanos past relationship and hints of what triggered their break up, the aftermath and the present day uphill romantic struggles. From Yokozawa, Onodera discovers that his disappearance triggered Takano to enter a depressive aimless state of drinking and sleeping around [it wasn't helped by the fact that

he had little support system, since Onodera in the past functioned as somewhat of a ray of light for him]. Onodera on the other hand develops a cynical point of view of love and never completely grew out of his general insecurities and lack of confidence [both past and present]. In another corner Yokozawa, similar to Onodera, suffers from falling in love with Takano, a man who he knows has been pining for the same person [Onodera] for almost a decade, who suddenly appears out nowhere and feels that he has claims to Takano for picking up the pieces that he placed blame on Onodera for breaking in the first place. The dynamic of the trio is explored throughout the volume and how it affects both their personal and professional lives. Aside the relationship between Onodera and Takano, the volume also covers the process of manga publications. From how proposals work to how printing and promotions are decided and potential interactions between the departments. The characters are developing at a good pace, where Onodera is still trying to unravel the past and slowly maturing, while Takano is more stable and essentially trying to make up for lost time since they were separated and continues to relentlessly attempt to assure Onodera that hes the one for him [despite Onoderas current state of disbelief and denial].The art is still great and consistent throughout the manga. There is slightly more sexual content then the first volume, but like previous, there tends to be a build up to an extent [or coincidental that no one is around when they suddenly have sex in the library or engaged in sexual activities while outside their apartment].Highly suggest continuing and picking up the volume if youve already purchased the first volume.0 of 0 people found the following review helpful. The love continues...By Sophie's ViewRitsu needs to figure out how to fill out a book proposal form but he has no experience with this having only been in literature sales before. Takano isn't much of a help and rejects his work outright. What's a poor newbie editor to do? In this volume, Ritsu continues his struggles with learning to become a shojo manga editor while trying to deal with Takano on both a personal and professional level. Yokozawa is also still present as the antagonist to their relationship.The book is set up very similarly to the first one with two chapters on the current timeline and then a short look back at their high school days. The quality of Nakamura's work holds up from the first volume with the layered romance, shojo satire, exaggerated editor experiences and publishing knowledge.I had more trouble with the translation of this than the previous volume. Ritsu going abroad somehow got translated as being held back a year and Ritsu says sir, a lot. It's not that he doesn't say sir in the first volume but it's definitely more present in this one. For me, that just doesn't quite capture the feel of a Japanese publishing house. The sound effects, as well, still take a bit of getting used to in their shortened form.0 of 0 people found the following review helpful. LOVEBy MFI can say more but I love this manga. I can wait for the next volume to come out.

When Ritsu Onodera changes jobs, looking for a fresh start, he's not exactly thrilled when his new boss turns out to be his old flame. Ritsu's determined to leave all that in the pastbut how can he when his boss is just as determined that they have a future? Ritsu Onodera was assigned to the shojo manga department at Marukawa Publishing, where he discovered that his boss, Masamune Takano, was actually his very first love! How will Ritsu react when he hears Masamune proclaim that he'll make Ritsu fall in love with him again?
