Matt Hawkins : Think Tank Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Think Tank Volume 2:

Two months after the flashy and brilliant escape from the DARPA-funded military he used to call his home, slacker/genius Dr. David Loren has willingly returned to his lab to continue his work that he not long ago wished to be

no part of. When a weapons designer loses his moral compass, who are the true victims of his creations?
