the following review helpful. I'm glad I finally got into this. By Joe K. Walt Simonson is a superb draftsman and a lively storyteller. It's no wonder his Thor run has achieved classic status. I'm glad I finally got into this. I'm sure I'll end up buying all 5 volumes of the Simonson trades. 1 of 1 people found the following review helpful. Walt Simonson does great work on Thor. By Richard Rogers. Great stories and art by Walt Simonson! First time I saw the name Walt Simonson, I believe he lettered a Howard Chaykin Iron Wolf story in some DC anthology comic book (Weird Tales?). Then he Archie Goodwin produced Manhunter in Detective Comics - and he's continued to impress me year after year since. I won't go so far as to say Simonson's Thor surpassed Kirby's, but it sure equalled it.

Few people have ever left their mark on one character quite the way Walter Simonson has. His work on the Mighty Thor swept the Norse God of Thunder to heights never before seen and rarely achieved in his wake. Spanning epic tales of heroism and treachery, love and war, Simonson's work is often considered the definitive Thor. From the majesty and mystery of fabled Asgard to the gritty streets of New York City, Thor was never the same. That is the mark of a true visionary. This first volume begins the collection of Simonson's epic run. COLLECTING: Thor 337-345
