Jason Aaron : Thor: God of Thunder Volume 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Thor: God of Thunder Volume 2:

3 of 3 people found the following review helpful. A thunderous conclusion to one of the great Thor storiesBy Matthew J. PhillionI raved about Thor: God of Thunder, Vol. 1, and it must be said that Vol. 2, Godbomb, completes the promise of the previous volume by bringing this beautiful modern myth to a close.If you, like myself, have never been a Thor fan--the golden boy of Marvel can be unlikable sometimes--these two volumes just might turn you into a believer. Breathtaking art and a narrative that is immense, poignant, and unexpectedly poetic and moving form a totla

package as one of the best Thor stories of its generation. Gorr is a villain for the ages, and Aaron masterfully avoids all of the usual pitfalls of time traveling by making the interactions between three Thors of different ages filled with humanity, melancholy, and thunderous courage. 1 of 1 people found the following review helpful. Thor Meet Thor and Thor By Charles Hardy I have never read Thor before. The other day I was in my local shop and picked up the First volume of God of Thunder. Instantly hooked. Thor is a badass hands down. This story was easy to jump into and follow having never read before. The artwork is phenomenal. Buy this and buy it now. 0 of 0 people found the following review helpful. Thumbs up for Vol. 2 By Customer Vol 2 very much lived up to the expectations set in vol. 1. I highly enjoyed reading Godbomb as it fulfilled the promises of a great story set in The God Butcher. It was a riveting story and was expertly illustrated.

The chase is on across the Nine Realms to capture Malekith, former lord of the Dark Elves! To find him, Thor allies with a Dark Elf sorceress, a gun-toting Light Elf, a gargantuan Mountain Giant, a dynamite-loving dwarf and a particularly surly troll! But when one teammate falls, will it mean war for all Nine Realms? As a traitor within the group strikes and Thor prepares to take drastic measures, Malekith stages his final bloody raid - on Earth! Then, Thor battles the multinational super-corporation Roxxon, but has he met his match in its ruthless new CEO, "the Minotaur"? And millennia from now, King Thor and his granddaughters battle to save what remains of Earth from Galactus! Plus: Jane Foster returns! Young Thor vs. Frost Giants! The origin of Malekith! And King Thor's Original Sin! COLLECTING: Thor: God of Thunder 12-25

About the Author Sturges is best known for the Eisner-award nominated Jack of Fables from DC/Vertigo.
