comicBy john kimbleYou really have to like Thor in order to enjoy this comic. I bought it on a whim and was not impressed. It isn't terrible, it just wasn't entertaining.0 of 0 people found the following review helpful. Good deal. Thank youBy CustomerItem as described. Good deal. Thank you.

The Thors of every domain, together in one book! As cosmic cops! Whenever there's trouble on Battleworld, the Thors answer the call. But a string of mysterious murders leaves some of them asking questions that may unravel all of reality! A hard-hitting Marvel Comics police drama. With hammers. Lots and lots of hammers.
