Arrived shiny and bootiful with nary a scratch but a slight ripple in the back cover that is hard to see.0 of 0 people found the following review helpful. Four StarsBy CustomerGreat art and good story. Really enjoyed it.1 of 1 people found the following review helpful.

Surprisingly GoodBy Monstarz Inc. Bought this as a fan of Bucky and with low expectations but wow was I surprised how much I liked it. Don't really know much about the other characters on the team but they are written well by Zub and looking forward to see where this goes especially with Secret Empire starting and you know Bucky is gonna have some part to play.

FROM THE PAGES OF STANDOFF! They're a renegade team rampaging across the Marvel Universe under the direction of the Winter Soldier! But are the Thunderbolts heroes or villains-and do even they know for sure?COLLECTING: THUNDERBOLTS 1-5
