Richard Starkings, John Roshell, Tim Sale : Tim Sale: Black And White - Revised And Expanded before purchasing it in order to gage whether or not it would be worth my time, and all praised Tim Sale: Black And White - Revised And Expanded:

0 of 0 people found the following review helpful. A Must-have for Comic FansBy T. HooperThis book follows comic artist Tim Sale's career from his early days as an amateur illustrator to his work on the current hit series Hereos. Tim talks about how his career started and how he got to where he is today. This book is filled with artwork from his many projects including his popular Batman works. It's a huge book that will look great displayed on a coffee table, and it is well worth the cover price. I recommend this not only to fans of Tim Sale, but to comic fans in general. You won't be

disappointed with this purchase. 2 of 2 people found the following review helpful. a good revised and expanded and oversized edition By Massobrio Davide I already owned the Active Images first edition hc. This is bigger in trim format, larger in contents (Heroes, Catwoman pieces of art and so on...) and it's all about this atypical great (if you love him) artist. 4 stars instead of 5 only because respect to the first edition the additional content are not a lot. But if you buy it for the first time, this goes for 5 full stars in my opinion (a lot of sketches and pinups, and useful notes and informations). 2 of 2 people found the following review helpful. The mastery of Tim Sale By Chongo This is one of the best books I've come across because it's a lengthy, insightful honest interview into Sale's career, dislikes, influences, experiences in the industry. Plus his amazing art from his early days to his current endeavors is another added bonus. If you like illustration this is a no brainer worthy purchase for your bookshelf.

Tim Sale discusses his life and work in this comprehensive and lavishly illustrated volume. This new, revised, and expanded edition of the original sold-out and out-of-print *Tim Sale: Black and White* previously published by Active Images features never-before-seen art from the illustrator of NBC's *Heroes*!
