Eve Gilbert : Tits, Ass, and Real Estate before purchasing it in order to gage whether or not it would be worth my time, and all praised Tits, Ass, and Real Estate:

2 of 3 people found the following review helpful. All about EveBy JenniferIn her own inimitable way, Eve Gilbert's twisted view of American reality is the truth - the truth about how men relate to women, how people live in the city, how people survive in crap jobs, and more - told in a funny, grotesquely charming way. Hers is an authentic voice, no pompous BS; her drawing style is loopy, loose, and unpolished, that is to say, perfect in its own imperfection. We love you, Eve! Buy this book, highly recommended!

Populated by junkies, grifters, hustlers, strippers, pimps, and various strains of victims and criminals, this is a biting,satiric portrait of America from the lower depths. If you put Henry Miller, Charles Bukowski, and Kathy Acker

in a blender and added the ratty, unadorned drawing style of Charles Rodriguez, you'd have some idea of how hot and incendiary a brew this is. A collection of autobiographical stories, Eve Gilbert allows readers full access to her unglamorous world, filled with people most of us hope we never have to meet. "The Real Resume" is a depressingly realistic tour of the various wage-slave jobs Gilbert has held over the years. Another highlight is "Pregnate?"--which was written in San Francisco porn store while Gilbert was waiting for an interview-- in which Gilbert relates to how she ended up pregnant despite a safety net of latex, with no money for even a pregnancy test, let alone an abortion. Unflinchingly, candid and caustic, Gilbert has one of the most uniquely confident and iconoclastic voices to hit the world of graphic novels in several years.

About the Author Eve Gilbert is a single mother living in Brooklyn, New York. This is her first book.
