Great writing with a superior hardcover page. Well worth the money even if you bought the series when it came out as prestige comics. 0 of 0 people found the following review helpful. Wish the cover was better By Baron Cool story, awesome art.

I mainly got the book for the art. I only wish the book had a better cover. I mean it's an oversized hardcover with a matching cover price, the least you can do is give it a good cover piece. But the interior art is so sweet! 0 of 0 people found the following review helpful. Great read. By Anthony Wible Great book, story and art are impeccable! For the price you get the entire run and a nice hc deluxe with quite a few extras. I highly recommend this for it's art and touching yet harsh start!

The Isles of Los Angeles 2089 - Humanity is addicted to technology. Getting a virtual buzz is the only thing left to live for, and gangsters run it all. And who do these gangsters turn to when they need their rule enforced? Constables Led Dent and Debbie Decay are about to be given a job that will force them out of the familiar squalor of LA and into the last tech-less country on Earth: The Garden Nation of Tokyo. Presenting the full run of the smash hit TOKYO GHOST by RICK REMENDER and SEAN MURPHY in this oversized hardcover, packed with extra content, variants, designs, sketches and bonus materials! Collecting TOKYO GHOST #1-10

LIBRARY JOURNAL (STARRED) -- In 2089, Los Angeles is a partially flooded, toxically polluted wreck inhabited by a populace totally dependent on drugs, blood sport, and cheap thrills and in thrall to an evil corporation that rose to power by producing an endless stream of distractions and diversions. When Constable Led Dent, a hulking, bloodthirsty enforcer, and his partner and lover Debbie Decay are tasked with infiltrating Tokyo, a luddite paradise whose populace is committed to the ancient practice of Bushido, Debbie sees an opportunity for a fresh start. What follows is a stylish, bleak, action-packed, and deeply moving love story that examines how yearning for escape can keep us from ever being free. This complete edition collects single Issues 1-10 of the series and also includes supplementary material by the author and artist. VERDICT Remender (Seven to Eternity) and artist Murphy (Punk Rock Jesus) are two of the hottest talents currently working in comics, and this epic volume is sure to be a breathtaking modern classic, ranking among the most fully realized graphic works of the last decade.-TB
