As far as Splinter Cell story, it dove tails in between the previous and later books smoothly.0 of 0 people found the following review helpful. Five StarsBy Oni YsoniThis graphic novel bridges the gap between SC: Conviction and SC: Blacklist. Recommended to any fan of the series.0 of 0 people found

the following review helpful. Great material.By Machew37Happy following a replacement. Not too keen on the sloppy holiday shipping.

Based on the award-winning Tom Clancy's Splinter Cell video game franchise that has sold more than 27 million copies worldwide! Sam Fisher, once a Splinter Cell (a clandestine, elite operative operating in the shadows of the NSA) is now retired. His enemies, however, are not. Haunted by dreams and memories of his past, he struggles to put his life back together. But when a mysterious terrorist organization called KROWE begins pursuing targets around the globe, Sam's expertise is needed to uncover their endgame and stop them before the deadly plot unfolds. Tom Clancy's Splinter Cell: Echoes takes place between the events of Tom Clancy's Splinter Cell: Conviction and Tom Clancy's Splinter Cell: Blacklist. Collects the complete 4-issue comic book series, Tom Clancy's Splinter Cell: Echoes, including a cover gallery, bonus materials, and more.
