Michael Turner : Tomb Raider/Witchblade #1 (Cover price: \$2.95, Green cover) December 1997 before purchasing it in order to gage whether or not it would be worth my time, and all praised Tomb Raider/Witchblade #1 (Cover price: \$2.95, Green cover) December 1997:

0 of 0 people found the following review helpful. great witchblade introductionBy chad JJspoiler the story is about lara was visiting a 90 yr old man that knew her father he seeks revenge on a clan or some sort of gang that killed his family and ppl that he knows or there families and had a artifact that held some sort of demonic powers sara/witchblade arrived at the crime scene interviewing lara the scene was filled with bodies that was ripped in half lara describe how she ended up being at new york and what she was after and was the only survivor nobody believed her story about supernatural except for sara they tracked down the old man that now appears to be the villain and gave his body to the creature lara kills it - the endmy thoughts and overall: i like how Sara keep telling lara that shes doing to much its funny to me bcuz lara kills random enemies in the video games and kinda does that in this story lol anyways i think there should've been alot more tomb raider witchblade crossovers it wouldve great to see this crossover after tomb raider underworld games but yeah the artwork is great the stories are amazing but i just wish there was alot more 28 pages just doesnt seem like its enough but it was great bcuz it was short and simple going straight to the point showing how these characters would interact with each other and showing how they became allies
