It moves fast, and gives you the blockbuster at transformers feel you want vs what we ended up with in the movies. 0 of 0 people found the following

review helpful. Yeah I like it!By Raymond St. PaulYeah a transformers worth its story an the art is cool too!0 of 0 people found the following review helpful. Hardcover damagedBy Truls LindqvistThe book looks a little bit crashed at the edges.

Before Optimus became a Prime he fought for order. Before Megatron became a conqueror he fought for freedom. In the early days of the war on Cybertron, two leadersone Autobot, the other Decepticonstart down their own paths towards destiny. Collects the Autocracy, Monstrosity, and Primacy series into an oversized hardcover collection.
